4.3.9 Establish and Enforce Rules and Regulations. To make, establish, promulgate and publish, and to enforce such Rules and Regulations for the protection and governing the use of the Common Property as the Board of Directors deems to be in the best interest of the Association and its Members.

4.4 Limitations on Powers. In addition to such other restrictions or limitations on the powers of the Association as may be imposed by law, elsewhere in these Articles, in the Declaration, or in such Bylaws of the Association as may be adopted from time to time, and without limiting the generality of any of same, the Association shall be prohibited from taking any of the following actions without the prior approval of a majority of the votes present, in person or by proxy, at a meeting of the Association at which a quorum is present, to wit:

4.4.1 Contracts for a Term in Excess of One Year. Except for contracts for common lighting systems, security and cable or community antenna television services, the entry into any employment contracts or other contracts for the delivery of services or materials to the Association having a term in excess of one (1) year, except in the case of prepaid insurance, casualty or liability contracts or policies for not more than three (3) years duration; provided that the applicable contract or policy provides for and permits short rate cancellation by the insured.

4.4.2 Pledge of Assessment Rights. The borrowing of any funds secured by a pledge, assignment or encumbrance of the right and duty of the Association to exercise its power to establish, make, levy, impose, enforce and collect any Assessments for which provision is made in the Declaration whereby as a result of such pledge, assignment or encumbrance such right and power of Assessment may be exercised by a party other than the Association or whereby the Association shall become obligated to establish, levy, enforce and collect any Assessment or Assessments in a particular amount or within a particular time so as to effectively divest from the Association and its Board of Directors the right, duty and discretion to establish, make, levy, impose, enforce and collect Assessments in such amounts and within such time periods as the Board of Directors of the Association, in its discretion, shall deem necessary and reasonable.

4.4.4 Payment of Compensation to Officers or Directors. The payment to the elected directors of the Association or to officers of the Association for services performed in the conduct of their duties as such directors or officers; provided, however, that nothing herein contained shall preclude the Association from reimbursing any such elected director or officer for reasonable expenses incurred in the conduct of the business and affairs of the Association; and provided, further, that nothing herein contained shall preclude the employment by the Association and payment by it of compensation to a manager or executive director of the Association who shall not be an elected director or officer of the Association.

ARTICLE 5

MEMBERSHIP

5.1 Member. Every person, group or entity who is the Owner of record of a fee interest in any one or more Lots subject to the Declaration shall become a Member of the Association, subject to and bound by the Declaration, the Association's Articles of Incorporation, Bylaws, resolutions, Rules and Regulations and all lawful actions taken in accordance therewith by the Association. Ownership of a Lot subject to the Declaration shall be the sole qualification for membership in the Association. Membership shall become effective upon the recording of the instrument of conveyance to the Lot in favor of the Owner. The foregoing notwithstanding, membership shall not run to persons or entities who hold an interest in any Lot merely as security for the performance of an obligation. When any Lot is owned of record in joint tenancy or tenancy in common or by some other multiple ownership or legal entity, voting rights shall be determined as provided in Section 6.4 and the Declaration. Membership shall be appurtenant to and may not be separated from a Lot. Transfer of ownership of any Lot shall automatically transfer membership in the Association, and the new Owner shall automatically be a Member.

5.2 Default. During any period in which a Member shall be in default in the payment of any Assessment levied by the Association, the voting rights and right to the use of any recreational Common Property and services which the Association may provide may be suspended by the Board of Directors without a hearing or proceeding of any kind until such Assessment is paid. In the event of violation by a Member of any covenant, condition, restriction, easement, reservation, term or provision of the Declaration or of these Articles, the Bylaws or Rules and Regulations established by the Board of Directors, such Member's voting and his or any family member's, guest's or tenant's rights to use of the recreational Common Property and any services provided by the Association may be suspended by the Board of Directors for a period not to exceed the period of any such violation plus sixty (60) days after

a hearing. Such hearing shall be held by the Board of Directors (or a committee thereof) after giving such Member ten (10) days prior written notice by registered or certified mail certifying such alleged violation and setting the time, place and date of the hearing. Determination of violation shall be made by a majority vote of the Board of Directors (or a committee thereof), and such action shall thereby be conclusive. Notwithstanding any provision herein, however, no notice or hearing shall be required as a condition precedent to suspension of use of recreational Common Property due to certain violations specified in the Declaration. The foregoing procedures and remedies shall be amplified and further described, and additional remedies shall be set forth, in the Bylaws.

5.3 Members' Rights. The rights of every Member of the Association shall be subject to and governed by the terms and provisions not only of the Declaration and these Articles, but, in addition, shall at all times be subject to the terms and provisions of the Bylaws and Rules and Regulations of the Association.

ARTICLE 6

VOTING RIGHTS

6.1 Vesting of Voting Rights. An Owner's right to vote shall vest immediately upon such Owner becoming the Owner of record of a Lot. All voting rights of a Member shall be exercised in accordance with and subject to the restrictions and limitations provided in the Declaration, these Articles, the Bylaws and the Rules and Regulations of the Association.

6.2 Classes of Membership Voting Rights. The Association shall have two (2) classes of membership voting rights, Class A Members and the Class B Member.

6.2.1 Class A. Subject to the provisions of Section 6.2.2 hereinafter with respect to Developer, every Member shall be a Class A Member, and, subject to the provisions of Section 5.1 hereinabove, every Member shall be entitled to one vote for each Lot owned.

6.2.2 Class B. The sole Class B Member shall be Developer who shall act on behalf of the Declarant and, notwithstanding any other provision herein contained, the Class B Member, for so long as there shall be a Class B Member, shall be entitled to elect the Board of Directors. The existence of Class B membership shall cease and the Class B Member shall be converted to a Class A Member with respect to each Lot owned by Developer or Declarant upon the happening of any of the following, whichever occurs first: (i) the Declarant conveys, other than to the Developer or to a successor developer, all of its right, title, and interest in and to all the Lots in the Property (for purposes of this subsection 6.2.2.(i), a Lot shall be considered conveyed when the deed is duly

recorded); or (ii) the Declarant records a disclaimer of its respective Class B membership in the Public Records of Pinellas County, Florida.

6.3 **Voting Rights Appurtenant to Ownership of Lots.** The voting rights of the membership shall be appurtenant to the ownership of the Lots. Each Lot shall entitle the Owner or Owners of said Lot to one vote, as provided in Article 5 of the Declaration.

6.4 **Voting Rights When Lot Owned by More Than One Person.** When two or more persons hold a fee interest in any Lot, all such persons shall be Members, however, the vote for such Lot shall be exercised by only one of such persons as proxy and nominee for all persons holding an interest in such Lot and in no event shall more than one vote be cast with respect to any Lot. Such vote may also be exercised as the Co-Owners of the Lot determine among themselves; but no split vote shall be permitted. Prior to any meeting at which a vote is to be taken, each Co-Owner must file the name of the voting Co-Owner with the secretary of the Association to be entitled to vote at such meeting, unless such Co-Owner has filed a general voting authority with the secretary applicable to all votes until rescinded. Notwithstanding the foregoing, if title to any Lot is held jointly by a husband and wife, either spouse is entitled to cast the vote for such Lot unless and until the Association is notified otherwise in writing.

6.5 **Loss of Voting Rights.** Any Member who is delinquent in the payment of any Assessment or charge duly levied by the Association against a Lot owned by such Member shall not be entitled to vote until all such charges, together with such reasonable penalties as the Board of Directors may impose, have been paid. The Board of Directors may suspend the voting rights of any Member who is in violation of any of the covenants, conditions, restrictions, easements, reservations, terms or provisions of the Declaration or of the Bylaws or Rules and Regulations of the Association, for periods not to exceed the period of such violation plus sixty (60) days.

6.6 **Method of Voting.** Voting on all matters except the election of Directors shall be by voice vote or by show of hands unless a majority of the Members present at the meeting shall, prior to voting on any matter, demand a ballot vote on that particular matter. Directors shall be elected by written ballot. Members may vote by proxy. Where Directors or officers are to be elected by the Members, the solicitation of proxies for such elections may be conducted by mail. The Board of Directors may conduct a membership referendum on any specific matter by mail with only a majority of those Members responding to the mail referendum being necessary to authorize a specific act or omission; provided, however, that such mail referendum shall have been mailed, at least thirty (30) days but not more than forty-five (45) days prior to the final response date, by certified mail, return receipt requested, to each Member at the address last specified by such Member to the Association.

6.7 **Management.** Subject to the rights of the Declarant set forth in Section 7.7 of the Declaration, the Association shall be managed by the Board of Directors of the Association,

and except as expressly provided to the contrary in the Declaration, these Articles or the Bylaws of the Association, all issues before the Association may be decided by the Board of Directors. The Board of Directors shall have the power to adopt reasonable Rules and Regulations governing Kylemont, provided such Rules and Regulations are uniformly applicable and adopted in good faith. Initially, the Board of Directors shall be elected by Developer as the sole Class B Member. However, upon Turnover, the Board of Directors shall thereafter be elected by majority vote of the Members, who then shall be all Class A Members.

6.8 **Annual Meeting.** The annual meeting of the Association shall be held in November of each year, unless otherwise specified in writing by notice to the Members by the Board of Directors or unless changed in the Bylaws or an amendment to the Bylaws adopted from time to time by the Board of Directors and distributed to the Members. The place, date and time of the annual meeting shall be set by the Board of Directors.

6.9 **Special Meetings.** Special Meetings of the Association may be called from time to time as provided in the Bylaws of the Association.

6.10 **Quorum.** Except as otherwise provided in the Declaration, any number of Members present in person or by proxy at an annual meeting or a properly called special meeting of the Association shall constitute a quorum. Except as otherwise provided in the Declaration, the provisions for a quorum for meetings of the Board of Directors and other procedural requirements for action by the Board of Directors shall be as provided in these Articles and the Bylaws of the Association.

6.11 **Certain Rights of Developer.** So long as the Declarant or the Developer owns any real property included in Kylemont, the Association, without the prior written consent of the Declarant or the Developer, shall have no authority to, and shall not, undertake any action which shall:

6.11.1 prohibit or restrict in any manner the Kylemont sales and marketing program or development of the Developer or the sales and marketing program or home building program (except as provided in the Declaration) of any builder owning Lots or other real property in Kylemont;

6.11.2 decrease the level of maintenance services of the Association as established by the initial Board of Directors of the Association;

6.11.3 make any special or individual Assessment against, or impose any fine upon, Developer or Declarant or any property owned by either of them;

6.11.4 change the membership of the Architectural Control Committee, diminish its powers as stated herein or change the design criteria and restrictions provided in the Declaration;

6.11.5 alter or amend the Declaration, any supplemental declaration or additional declaration or these Articles, or the Bylaws or Rules and Regulations of the Association or any amendment to any of the above;

6.11.6 terminate or cancel any contracts of the Association entered into by the initial Board of Directors;

6.11.7 terminate or waive any rights of the Association;

6.11.8 convey, lease, mortgage, alienate, or pledge any easements, or Common Property;

6.11.9 terminate or cancel any easements or Assessments provided in the Declaration;

6.11.10 terminate or impair any easements, powers or rights of the Declarant or the Developer hereunder;

6.11.11 restrict Declarant's or Developer's rights of use, access and enjoyment as provided in the Declaration; or

6.11.12 cause the Association to default on any of its obligations under any contract, these Articles or the Declaration.

ARTICLE 7

The number of directors shall be determined from time to time by the Board of Directors, but shall always be an odd number. 7.5 Election of Directors. Until Turnover, the Developer, as the Class B Member, shall have the sole right to elect the Board of Directors. Upon Turnover, the directors or the Board of Directors shall thereafter be elected by a plurality of the votes cast by written ballot of the Class A Members present in person or by proxy at an annual meeting of the Members, or a special meeting of the Members called for that purpose. After Turnover, directors shall be elected by written ballot (as provided in Section 6.6 hereof) at the annual meeting (unless written ballot is waived by unanimous consent of the Members attending) and by a plurality of the votes cast at, or presented to, the meeting of the Association. Unless suspended from voting privileges in accordance with the provisions of the Declaration or these Articles, each Member (after turnover, the Class A Members and, until Turnover, the Class B Member only) shall be entitled to vote in any election of directors as provided in Section 6.6 hereof. Each Member, unless suspended as hereinabove provided, shall be entitled to vote for as many nominees as there are vacancies to be filled, but as provided in the Bylaws, there shall be no cumulative or double voting.
