

Approved Exterior House Paint Colors

Below are the Sherwin Williams exterior paint color codes that have been approved by the Kylemont Board of Directors for automatic approval on homes in Kylemont. The homeowner must still submit an Architectural Modification Request Form, but these pre-approved colors will receive automatic approval. Colors not on this list will be reviewed by the Board of Directors for approval.

Many of the following approved codes are in the Sherwin Williams “Cool Neutral” and “Warm Neutral” color family. Some can also be found in the lighter shades of the other color families. See:
